### SCHEDULING DIRECTIONS

REVIEW YOUR NEXT YEAR RECOMMENDATIONS ON YOUR STUDENT PORTAL

*if you have concerns about your next year recommendations, please discuss this with your teacher(s).*

**The courses listed on the back of this sheet coincide with the  
NBTHS Course Guide that has complete descriptions of each class.**

The NBTHS Course Guide can be found online on the NBTHS Guidance Dept website  
**<http://www.nbthsguidance.com/>**  
click on the scheduling tab

Students will meet with their School Counselors to schedule courses for the next school year. Review the elective form and Course Guide for more information about the classes you will choose. Please be prepared for your meeting with your School Counselor.

***Neglecting to submit this form or not actively participating in the scheduling process will result in limited options for next year.***

### **RIISING SENIORS: SCHEDULING OPTIONS**

- Rising Seniors who have not passed a state test/equivalent will be scheduled for Math Lab and or Portfolio
- Rising Seniors who have passed one year of Spanish, French, German, or Italian (or other world language) can opt out of taking a World Language for a second or third year.  
**Please be advised that many Colleges/Universities may require at least two years of a World Language.**

I will meet the New Jersey State Requirements (passing 3 years of Math & Science; and 2 years of a World Language) and do not wish to take the following subjects (check all that apply):

- ☐ I do not want a 4th year of Math
- ☐ I do not want a 4th year of Science
- ☐ I do not want to continue with a World Language
